

Andrew Strempler, B.Sc. Pharm.
President, Chief Executive Officer

Andrew Strempler is President and Chief Executive Officer of Mediplan Health Consulting Inc. and RxNorth.com, Canada's premier direct mail pharmacy, which he founded in 1999.

Andrew is widely acknowledged as having reinvented the local pharmacy and recognized as a pioneer of today's multi-million dollar Canadian Internet/direct mail pharmacy industry.

Over the past seven years, Andrew has grown the award-winning Minnedosa, Manitoba-based company to an international presence in the pharmaceutical industry with about \$100 million in annual sales.

RxNorth.com is a registered trademark of Mediplan Health Consulting Inc., and has safely filled over 1.5 million affordable prescriptions and developed the industry standard for verifying and dispensing prescription medication.

As an industry leader, Andrew was instrumental in establishing the Canadian International Pharmacy Association (CIPA) in November 2002, to represent and support the ethical and professional practice of International Pharmacy.

He was also active in establishing the Manitoba International Pharmacists Association (MIPA) in 2003 and sits as Vice-Chairman on the Board of Directors for The Manitoba Chambers of Commerce.

In 2003, Andrew was awarded the Ernst and Young Entrepreneur of the Year Award and has been featured in The Wall Street Journal, New York Times and Fortune Magazine.

He holds a Bachelor's Degree in Pharmacy from the University of Manitoba and is a licensed pharmacist in the province of Manitoba.

Andrew grew up in Winnipeg, Manitoba, and lives in Neepawa, Manitoba with his wife, Catherine and son, James.
